

2017 World Championship Pinewood Derby **Attendee Guide**

Hello, and thank you for your interest in attending the 2017 World Championship Pinewood Derby in Times Square, New York City. Below you'll find a ton of information about the event and the surrounding area. Please spend a few minutes to review the entire document, as most questions will be answered within.

WHAT IS THE WORLD CHAMPIONSHIP PINEWOOD DERBY?

- On Saturday, June 24th 2017, the Greater New York Councils of the Boy Scouts of America will be hosting the Third Annual World Championship Pinewood Derby in Times Square, New York City. This unique and exciting event is designed to bring Cub Scouts together from all over the nation — and beyond!

WHERE WILL THE RACE TAKE PLACE?

- In Times Square's Broadway Plaza between West 46th and West 47th Streets on Broadway, New York City. Click [HERE](#) to see a Google Map.

WHAT EVENTS WILL TAKE PLACE?

- The day will include three separate events:
 - The World Championship Pinewood Derby Preliminary races
 - The Fast 15: Race for the Champions Cup, our final race
 - Open racing on a Lego exhibition track, available to any Scout who wishes to race his car or anyone can build a Lego car and run it down the track

WHAT IS THE "FAST 15: RACE FOR THE CHAMPIONS CUP"?

- The Fast 15 are the first, second and third place winners from each rank who have won the Preliminary Race held earlier in the day.
- Regardless of rank or previous times, these 15 trophy winners will run together in an elimination format to determine the sole winner of the Champions Cup in both the Stock Car or Super Stock divisions.
- The 15 Champions in each division will run down a random lane assignment, with the first 8 cars crossing the finish line moving on to the second round. Following the same format, 8 cars will be reduced to just 4, with the final round of 4 cars leading to the single Winner's Cup Champion!

WHO CAN COMPETE IN THE WORLD CHAMPIONSHIP PINEWOOD DERBY?

- In order to qualify for the World Championship Pinewood Derby, a Cub Scout must be a Finalist in either their 2017 District or Council Pinewood Derby. Finalists are those that have finished overall in the top 3 of their respective rank.

CAN SCOUTS THAT ARE NOT DISTRICT/COUNCIL FINALISTS STILL PARTICIPATE?

- Any Scout may come down for a day of fun and race on our exhibition track, but to compete on the main tracks you must have qualified and won at a District or Council race.

MY DISTRICT / COUNCIL DOES NOT HAVE A CHAMPIONSHIP RACE. IS THERE ANOTHER WAY A SCOUT CAN QUALIFY?

- Unfortunately not. There is limited time and space to run this event so competition cannot be open to all without some pre-qualifiers. The World Championship Pinewood Derby Committee suggests speaking to your local Council office and inquiring about participating in another District's race or how your District / Council could plan to hold annual races.

WHAT ARE THE OFFICIAL RACE RULES?

- The official World Championship Pinewood Derby Race rules, including car weight, size, and permissible modifications, are available on the registration and sign up page: <https://www.bsa-gnyc.org/championshippinewood>.

WHY ARE THERE TWO RACING DIVISIONS?

- Not every District or Council follow the same regulations, especially as it relates to wheel and axle modifications. The Stock Car Division is more simplistic in its regulations while the Pro Stock Division allows for more modifications to the wheels and axles. The two Divisions were created so that Scouts can follow regulations similar to those in their home District or Council while also racing against Scouts that adhered to similar regulations.

SINCE THERE ARE TWO DIVISIONS, CAN A SCOUT ENTER A CAR IN EACH ONE?

- No. The Scout should use the car that he built for his District or Council qualifying race. Each Scout can only enter one car in the World Championship Pinewood Derby.

IS THERE A COST TO PARTICIPATE?

- There is no cost for a Scout to participate. All Scouts who participate will receive an exclusive collectible patch. The top 3 winners in each rank and division will be awarded trophies.

HOW DO I REGISTER FOR THIS EVENT?

- Go to www.bsa-gnyc.org/championshippinewood and follow the link to register.

DO I NEED TO REGISTER FOR THE EVENT IF I AM NOT PARTICIPATING IN THE CHAMPIONSHIP RACE?

- Go to www.bsa-gnyc.org/championshippinewood and follow the link to RSVP your adult and youth spectators and exhibition racers.

THE REGISTRATION FORM REQUIRES A PHOTO/VIDEO RELEASE WAIVER. WHY IS THIS NECESSARY?

- We will have photographers and videographers on site to document the event for promotional purposes. There will also be media on site to cover the event. We require a waiver for all participants so we can utilize the photos and videos captured. However, as the waiver states, keeping Scouts safe and keeping their personal information secure is our primary goal. No personal information beyond a Scout's first name, last initial, Pack, Rank, City and State will be released to or shared with unauthorized parties or organizations without additional consent from a parent or guardian.

AM I ALLOWED TO TAKE MY OWN PHOTOS / SHARE ON SOCIAL MEDIA?

- Absolutely, we encourage it! We want this event to help showcase Scouting across the country, so share it all on social media. Don't forget to use #wcpwd in your posts!

THE REGISTRATION FORM REQUIRES "FUN FACTS". WHAT PURPOSE DO THEY SERVE?

- Getting to know the "Scout behind the car" will add another dimension to our Scouts and our audience throughout the event.

I WILL NOT BE ABLE TO PERSONALLY ATTEND THE RACE. CAN I STILL PARTICIPATE?

- Unfortunately no. Scouts must attend the event to race their car.

WILL THERE BE FOOD AVAILABLE?

- Food will not be provided as part of the event, but there are literally hundreds of places to eat within an easy walk from the Times Square area.

I WILL BE TRAVELING FROM A GREAT DISTANCE. ARE OVERNIGHT ACCOMMODATIONS AVAILABLE?

- Yes! We're offering registered Scouters and their family's free tent camping at Alpine Scout Camp in nearby Alpine, NJ. There are also inexpensive cabin camping options at Alpine Scout Camp, with meal options. We have also coordinated a block of rooms at the Marriot Marquis, located one block away from the event. Sightseeing Opportunities:

New York City offers a wealth of sightseeing opportunities, even if you are on a fixed budget or have limited time. Below are some options worth considering.

Free Options:

- **Walking around Rockefeller Center:** There's a fantastic Lego Store and Nintendo World flagship store. For iconic photos, there's the golden statue of Prometheus, and on Fifth Ave, another statue of Atlas holding up the world.
- **Walking up Fifth Avenue:** There's so much to see – the flagship American Girl Doll Store, St. Patrick's Cathedral and the Apple Store.
- **Central Park:** Safe, clean and beautiful. There are playgrounds and lots of green space to run around.
- **Staten Island Ferry:** departing from the Ferry Terminal in lower Manhattan, this free trip to Staten Island actually gives you the best views for photos of the Statue of Liberty. The trip to Statue of Liberty takes 30 minutes; hop off the ferry in Staten Island and then cross over to get right back on for a ferry heading back to Manhattan.
- **The Museum of Natural History:** The museum has a "recommended" admission, but in reality, it is always "pay-what-you-wish". Here's an insider's tip – if you wish to pay just \$1, that's OK! If your kids like dinosaurs, this is THE MOST AMAZING place to visit. There's a dinosaur display (called the Titanosaur) that is so large, it doesn't even fit in the gallery. Also, if your kids are fans of the "Night at the Museum" movie, they'll recognize many of the characters and scenes.

Discounted Options:

- **Empire State Building:** (\$25 adults, \$20 youth, free <6). You can go up to the 86th floor observatory deck, or for the price of a ticket upgrade, go even higher to the 102nd floor. Tickets are not timed; you can take your ticket and go whenever you want. Peak times are midday, so they always recommend getting there early if you can. Contact Tom Pendleton at the GNYC Office (212) 651-3071 for discounted tickets.
- **Top of the Rock Observatory:** (\$32 adults, \$26 youth, free <6). Like the Empire State Building, Top of the Rock gives you huge, sweeping panoramic views of the NYC skyline. Unlike ESB, however, tickets are printed with a specific scheduled date and time. Contact Tom Pendleton at the GNYC Office (212) 651-3071 for discounted tickets.
- **One World Trade, The Freedom Tower:** (\$32 adults, \$26 youth, free <5). An amazing observation deck as well as SKY POD Elevator as you ride to the top, watch over 500 years of New York City evolution in under 60 seconds. This breathtaking ascension uses floor-to-ceiling LED technology to surround you with an immersive virtual time-lapse unlike anything you've ever seen. Like Top of the Rock, tickets are printed with a specific date and time. Contact Tom Pendleton at the GNYC Office (212) 651-3071 for discounted tickets.
- **9/11 Museum:** (\$25 adults, \$18 youth, free <4). The museum tells the story of 9/11 through interactive technology, archives, narratives and a collection of artifacts. Contact Tom Pendleton at the GNYC Office (212) 651-3071 for discounted tickets.
- **Statue of Liberty Cruises:** (\$18.50 adults, \$9 youth, free <4). These tickets to Liberty Island and Ellis Island are issued to get on the ferries that depart from Battery Park. They can either be scheduled date & time or a "flex" time, which gives you options over a couple of days, but you are on "stand-by" for ferries if you choose "flex". The tickets do not allow access to climb to the crown, only to the base. Climbing to the crown has to be scheduled in advance, normally several months. The ferries will take you to both Liberty Island and Ellis Island. Once you are on either island, you can stay as long as you would like before departing. The ferries run on a set schedule. The museum at Ellis Island is an amazing collection of America's history of immigration, with displays that cover hundreds of years. Contact Tom Pendleton at the GNYC Office (212) 651-3071 for discounted tickets.
